SECTION OFFICER

ANNEXURE – I

STATEMENT SHOWING THE ARTICLES OF CHARGE FRAMED AGAINST SRI D.V.NARASIMHA RAO, THE THEN DEPUTY EXECUTIVE ENGINEER, RURAL WATER SUPPLY & SANITATION SUB DIVISION, PADERU AND PRESENTLY WORKING AS DEPUTY EXECUTIVE ENGINEER, AP SAMAGRA SIKSHA ON DEPUTATION UNDER FOREIGN SERVICE TERMS AND CONDITIONS.

Charge:-

That Sri D.V.Narasimha Rao, while working as Deputy Executive Engineer, Rural Water Supply & Sanitation Sub-Division, Paderu has check-measured the side wall of60 KL GLBR at G.Madugula (Teegalametta) and recommended for bill payment despite inferior quality of cement concrete in the work "Providing Multi Village Scheme (MVS) to G.Madugula and other habitations in Visakhapatnam, resulted in financial loss for an amount of Rs.5,06,063/- to the Government exchequer.

SHASHI BHUSHAN KUMAR

SECTION OFFICER

ANNEXURE – II

STATEMENT OF THE IMPUTATION OF MISCONDUCT OR MISBHAVIOUR IN SUPPORT OF EACH ARTCLES OF CHARGE FRAMED AGAINST SRI D.V.NARASIMHA RAO, THE THEN DEPUTY EXECUTIVE ENGINEER, RURAL WATER SUPPLY & SANITATION SUB-DIVISION, PADERU AND PRESENTLY WORKING AS DEPUTY EXECUTIVE ENGINEER, AP SAMAGRA SIKSHA ON DEPUTATION UNDER FOREIGN SERVICE TERMS AND CONDITIONS.

The Director General, (Vig.&Enft.), General Administration (Vigilance & Enforcement) Department has submitted a vigilance report No.15 (C.No.247-1(RWS&S/V&E/E/2016), dated 19.03.2024 to the Government. In their report the V&E officials stated that they have verified the work "Providing Multi Village Scheme (MVS) to G. Madugula and other habitations in Visakhapatnam" and it was noticed that the average equivalent cube compressive strength of cement concrete core samples extracted from the intake well-cum-pump house at Dimsagummigedda and 60 KL GLBR at Teegalametta, G.Madugula did not attain the strength requirements of the specified grade of M30 Concrete and also were not satisfying the strength requirements of the lower grade of M25 concrete as IS 456:2000.

Core ID	Location of the core extracted	Grade of concrete	Compressive Strength in N/mm2		Remarks
			Achieved	Required	
60 KL GLBR at G.Madugula (Teegalametta)					
GRT R 4	0.42m from slab bottom (South face of side wall)	M30	13.20	22.50 (75%)	Failed
GRT R 5	0.34m from slab bottom (west face of side wall)	M30	16.20	22.50 (75%)	Failed
GRT R 6	0.20m from slab bottom (south face of side wall)	M30	16.90	22.50 (75%)	Failed
Average			**15.43**	**25.50 (85%)**	**Failed**

The work should be executed as per the departmental standard specifications and IS codal rules but the intake well cum pump house and 60 KL GLBR at Teegalametta were found to be liable for rejection, affecting the strength and life of the structure, leading to the necessity of reconstruction of the rejected component. Hence, an amount of Rs.5,06,063/- was arrived towards the cost of rejected components of work which has to be recovered from the agency and to be reconstructed as well.

Thus, Sri D.V.Narasimha Rao, while working as Deputy Executive Engineer, Rural Water Supply & Sanitation SD, Paderu has checkmeasured the side wall of 60 KL GLBR at G.Madugula (Teegalametta) despite inferior quality of concrete, which did not meet departmental standard specifications and IS codal rules, failed to supervise the curing activity, which has affected the strength and life of structure and recommended for bill payment despite

(PTO)

inferior quality of concrete, thereby causing a financial loss to an amount of Rs 5,06,063/-.

From this, it is evident that Sri D.V. Narasimha Rao, the then Deputy Executive Engineer, Rural Water Supply & Sanitation SD, Paderu and presently working as Deputy Executive Engineer, AP Samagra Siksha on deputation under foreign service terms and conditions has failed to discharge his legitimate duties, has shown gross negligence while discharging duties, lack of devotion to duty, lack of integrity, behaving in a manner unbecoming of a Government employee and violated Rules 3(1) and 3(2) of Andhra Pradesh Civil Services (Conduct) Rules, 1964.

Hence the charge.
